Principal News

The first day of the term is always exciting as we reconnect after the holiday break and prepare for the learning ahead. We have 9 weeks together this term and much to achieve. Please refer to the Term Planner in this newsletter for key dates across the term.

School Transition and Kindy Pre-entry

During this term we move into the more formal part of our school transition program and kindy pre-entry. The 6/7s will be touring Clare High School in the next few weeks as part of the transition process. Kindy Pre-entry families and learners transitioning into Reception will receive a letter with additional details this week. Two of our Year 7 learners have already commenced their extended transition at Clare High School.

ThankEd

ThankED is an initiative designed to help build and foster a culture of recognition within the department and our community. Messages of thanks and gratitude can be added to the online portal at www.education.sa.gov.au/ThankED. Staff,

students and teachers can either write a ThankED message using pen and paper or online. Recognition sends a powerful message to people that what they do is valued and appreciated. If you would like to thank a staff member you can collect a card from the front office or go online to send a message.

Water Bottles

The weather is warming up and it is really important for our learners to stay hydrated. Please check that your child has a water bottle when they pack their bag each day. If you are having trouble sourcing a water bottle please contact the school.

MUNDOORA CLUB TEA FUNDRAISER

Saturday 16th October
from 6pm
At the Mundoora Club

Monies raised will go towards yard improvements at the Snowtown Children's Centre and School Based Preschool

Lifeline Connect Clare
